Nettlestone Primary School's Sports Funding 2016/2017

What is the Primary PE and Sports Premium? In March 2013 the Government announced that it was to provide additional funding of **£150 million per annum** for academic years 2013/2014, 2014/2015 and 2015/16 to improve provision of physical education (PE) and sport in Primary schools in England - **The Primary PE & Sport Premium**. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school head teachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. In the Autumn Statement 2013, the Chancellor, George Osborne announced an additional year's £150m extended funding, taking the total investment to the end of the 2016 academic year. On 6th February 2014 the Prime Minister, David Cameron committed to continue the funding for the Primary PE & Sport Premium until **2020**.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and Sport, but they will have the freedom to choose how they do this.

The four objectives of the Primary PE and Sport Premium funding are:

- ✓ To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
- ✓ To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
- ✓ To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
- ✓ Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement

Possible uses for the funding might include:

- ✓ Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- ✓ Supporting and engaging the least active children through new or additional Change4Life clubs
- ✓ Paying for professional development opportunities for teachers in PE and sport
- ✓ Providing cover to release primary teachers for professional development in PE and sport
- ✓ Running sport competitions, or increasing pupils' participation in the School Games
- ✓ Buying quality assured professional development modules or materials for PE and sport
- ✓ Providing places for pupils on after school sports clubs and holiday clubs
- ✓ Pooling the additional funding with that of other local schools

How we have spent the funding and expected impact:

Expenditure	Cost	Expected Impact
Purchasing Equipment	£1,825	Increased quality and range of equipment for PE sessions, training and competitive sport.
Provision of extra-curricular clubs	£3,907	Increased range and number of after-school sports activities available to all ages.
Junior Rock Challenge participation fee	£607	Pupil participation rates increased. The opportunity to represent the school in an off-Island event offered to a large number of children.
Other sports entry and membership fees	£250	Maintaining the range and level of sports available to our children as extra-curricular and competitive sports.
Continuous Professional Development	£416	Increased quality and range delivered within the curriculum and extra-curricular sessions.
External coaching/teachers	£2,269	Specialists used to increase student knowledge and enjoyment in a range of activities.
Travel to sporting fixtures/events	£500	Allowing children to opportunity to compete against other school in a variety of locations, both on and off the Island.
Total	£9,774	
Grant	£8,875	

Providing places for pupils for after school sport club

Nettlestone Primary School offers an excellent range of after school clubs, accessed by children from Reception to Key Stages 1 and 2. These clubs include the traditional sports like football, basketball and netball, but we have also expanded to activities such as Street Dance, Cross Country, Golf, Hockey and J-Rock to allow access to a wider group of students.

Increasing participation in competition and school sport

This year our goal is to provide a greater number students with opportunities to be involved in a wider range of school sports. This year we aim to be involved in the following sports within intra-school, intra-federation and Island-wide competitions: Football, Netball, Tag Rugby, Table Tennis, Sportshall Athletics, Handball, Gymnastics, Multi-Skills, Basketball, Hockey, Sitting Volleyball, Cross Country, Outdoor & Adventurous Activities, Golf, Archery, Show Jumping, Dressage, Tennis, Cricket, Futsal, Athletics, Cricket, Dodgeball, the Hampshire Games and the Primary Island Games.

Swimming

All of our children in Year 3 are provided with 10 weeks of swimming tuition at the local pool. In November 2017, our Year 6 children were asked to complete a questionnaire regarding swimming.

- Of our 30 children in Year 6, 28 can swim competently, confidently and proficiently over a distance of at least 25 metres **(93.3%)**
- Of our 30 children in Year 6, 28 can perform safe self-rescue in different water-based situations **(93.3%)**

Our plan will be to offer the children in Years 4, 5 and 6 who cannot meet these attainment targets to chance to attend further swimming tuition in the summer term. Our swimming provision will be reviewed at the end of the academic year.

We are a Sportsmark Gold School and we aim to maintain this status for the 2nd year running.
