Nettlestone Primary School's PE and Sports Premium

What is the Primary PE and Sports Premium?

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England - The Primary PE & Sport Premium. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school head teachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. In the Autumn Statement 2013, the Chancellor, George Osborne announced an additional year's £150m extended funding, taking the total investment to the end of the 2016 academic year. On 6th February 2014 the Prime Minister, David Cameron committed to continue the funding for the Primary PE & Sport Premium until 2020.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

The four objectives of the Primary PE and Sport Premium funding are:

- ✓ To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
- ✓ To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
- ✓ To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
- ✓ Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement

Possible uses for the funding might include:

- ✓ Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- ✓ Supporting and engaging the least active children through new or additional Change4Life clubs
- ✓ Paying for professional development opportunities for teachers in PE and sport
- ✓ Providing cover to release primary teachers for professional development in PE and sport
- ✓ Running sport competitions, or increasing pupils' participation in the School Games
- ✓ Buying quality assured professional development modules or materials for PE and sport
- ✓ Providing places for pupils on after school sports clubs and holiday clubs
- ✓ Pooling the additional funding with that of other local schools

2015/2016 - How we spent the funding and the impact:

Expenditure	Cost	Impact
After School Provision	£4,074	Increased range of sporting activities available to pupils as after school clubs to include football, cricket, tennis, apparatus, dance, yoga, netball, handball, tag rugby and rounders. Increased participation in after school clubs across the school from Early Years to Upper KS2. Increased participation in competitive events, matches and fixtures.
Equipment and resources	£1,315	Increased range of sporting activities available to pupils to include football, tennis, cricket, Increased quality of equipment for PE sessions, training and competitive sport.
Swimming	£ 886	Increased number of pupils taking part. More children able to swim 25m.
CPD and coaching	£2,168	Increased range of specialist coaching

specialists		and enrichment activities for all year groups, including dance and golf. Provision of high quality PE and sports across the school to encourage participation, leadership and competition opportunities.
Contribution to travel costs	£ 414	Pupil participation rates increased in competitions, matches, fixtures and interactive sessions.
Total	£8,857	
Grant	£8,805	

Providing places for pupils for after school sport club

Nettlestone Primary School offers a wide range of after school clubs, accessed by children from Key Stages 1 and 2. These clubs include the traditional sports like football, basketball and netball, but we have also expanded to activities such as dance, yoga, golf and J-Rock to allow access to a wider group of students.

Increasing participation in competition and school sport

This year our goal is to provide a greater number students with opportunities to be involved in a wider range of school sports. This year we aim to be involved in the following sports within intraschool, intra-federation and Island-wide competitions:

Football, Netball, Tag Rugby, Table Tennis, Sportshall Athletics, Handball, Gymnastics, Multi-Skills, Basketball, Hockey, Sitting Volleyball, Cross Country, Outdoor & Adventurous Activities, Golf, Archery, Fencing, Tennis, Cricket, Athletics, the Baylink Olympics and the Primary Island Games.

2016/2017 - Heading Towards

Use of Funding	%	Intended Outcomes
After School Provision	30	Increase the number of pupils taking part in sport. Continue to provide a wide range of activities to lead to wider participation.
Equipment and resources	20	Increase the range of sporting activities available to pupils. Increase quality of equipment for PE sessions, training and competitive sport.
Swimming	15	Increase number of pupils taking part. To have 100% of pupils swimming 25m when leaving school.
CPD and coaching specialists	30	Further improve provision of high quality PE and sports across the school to encourage participation, leadership and competition opportunities.
Contribution to travel costs	5	Increase pupil participation rates in competitions, matches, fixture and interactive sessions.
