Tuesday 7<sup>th</sup> November 2017

Dear Parent / Carer,

I am writing to provide you with information about an upcoming trip for Year 5. We have provisionally booked a trip to the Winchester Science Centre also known as Intech for Monday 15<sup>th</sup> January 2018. During the first term of Spring the children's topic will be 'Space' and this is an amazing trip not only to hook the children, but to also provide them with some hands on science experiments.

I have booked for the children to visit the indoor planetarium at the centre allowing them to learn about the universe and stars in our Solar System. The children will watch the 'Solar System and Beyond' which teaches the children about the planets in our Solar System.

The children will be transported from school to Intech and back by coach. We will travel over to the mainland using the Hovercraft. The cost of this trip will be £20 per child, this is based on all 32 children attending the trip.

The children thoroughly enjoyed this educational trip last year and not only did it help them with their science in the topic of space, but the hands on experiments helped them with other science topics that we studied throughout the year.

A deposit of £10 will be needed by Friday 15<sup>th</sup> December to secure your child's place with the final instalment of £10 needed by Monday 8<sup>th</sup> January 2018. All payments are non-refundable.

Yours Faithfully,

Miss Richardson

.....

I confirm that I give permission for my child to attend the Intec trip on Monday 15<sup>th</sup> January 2018.

Signed .....

Parent of ..... Class .....
