Wednesday 29thth November 2017

Dear Parents/Carers,

Primary Discovery Day at Land Rover BAR Portsmouth – Thursday 7th December

Your child has been selected to attend a Primary Discovery Day at Land Rover BAR headquarters in Portsmouth. Using the inspiration of Sir Ben Ainslie's challenge for the America's Cup, students will experience a day of science, technology and sustainable activities. The activities will culminate in a piece of investigative work.

We will be travelling to Portsmouth on the Hovercraft. Please drop you child at the Hover at 8.20am, ready to catch the 8.30am crossing. Your child will need then need picking up from the Hovercraft at 3.45pm.

As the children will be away from school over the lunchtime period please ensure that they have a packed lunch and water in a re-fillable bottle. Please ensure that lunchboxes do not contain nut products due to some children suffering from allergies.

As the children will be walking from the Hovercraft to the venue, please ensure they are wearing warm school uniform, trainers and have a coat (and hat, gloves and a scarf if appropriate).

We would be grateful if you could return the attached consent slip prior to Friday 1st December to aid office administration.

Here's looking forward to what promises to be an exciting day!

Kind regards,

Miss C. Williams

Science Lead
