Thursday 14th December 2017

Dear Parents/Carers,

Throughout the year, we will be covering RSE (Relationships and Sex Education) in Year 3. The learning objectives are:

I know some of the differences between males and females.

I can name some of the male and female body parts using agreed words.

I can recognise different types of touch that people like and do not like.

I can explain the term 'personal space'

I can talk about ways of dealing with unwanted touch.

I can appreciate that all families are different and have different family members

I can identify who to go to for help and support

In the past, we have found that the children benefit greatly from these sessions. We will be using the lesson plans and resources from the Christopher Winter scheme. Should you not wish your child to participate in these sessions, you will need to write a letter to Miss Howarth informing the school of your decision.

Regards,

Miss H White
