Friday 9th March 2018

Dear Parents/Carers,

Re: Science Week at Nettlestone, WK/C Monday 19th March 2018

The week beginning 19th March will be Science Week at Nettlestone. Every day during this week, each class will have the opportunity to be involved in a Science-related activity or investigation.

As part of this week, I have arranged for a company called 'Hands on Science' to visit the school and run a practical workshop for each class. This company visited the school two years ago and delivered exciting, interactive and educational workshops across the school.

To cover the cost of the company's transport to the Island, we are asking for a voluntary contribution of £2.50. We would be grateful if you could make an online payment for this amount by Friday 23rd March.

Here's looking forward to what promises to be an exciting and informative day!

Kind regards,

Miss C. Williams
Science Lead
