

As you may recall from our published Newsletter on 8th November 2017 it was agreed at by Parent Forum that our weekly Newsletter would become a 'Weekly Roundup'. The first week of every term will be dedicated to key dates for that term (obviously with the caveat that these may well change as we progress through the term). This will be sent electronically by email directly to you (please ensure we have your up to date email). The newsletter will continue to be displayed on the school app and our school website.

Dates to remember:
