

Key learning in English and Maths that your child will be working on next week:

Please also use the guidance and support documents available on the school website for more details on the methods and strategies we use with your children.

Focus for English and Maths learning next week:

(Our staff differentiate work to ensure the 'right kids get the right stuff at the right time')

Sotherton	Maths: Create a class pictogram or graph of favourite dinosaurs. Collect data on dinosaurs. English: Missing/Wanted posters describing dinosaur.
Murray	Maths: I can solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays. English: Finish planning and start writing own information text about caring for an animal
Moore	Maths: I can compare and sort common 2-D and 3-D shapes and everyday objects English: Tinga Tinga tales - retell one of the Tinga Tinga tales.
Briggs	Maths: Recognise and show, using diagrams, equivalent fractions with small denominations (KPI). English: Go over how to set direct speech. Different words for said. Wolves using modal verbs in speech.
Martin	Maths: Estimate, compare and calculate different measures, including money in pounds and pence. English: Explanation text on their journey.
Attrill	Maths: I can know and use the vocabulary of: prime numbers, prime factors and composite (nonprime) numbers. English: I can draft and write by using a wide range of devices to build cohesion within and across paragraphs.
Lacey	Maths: Identify common factors, common multiples and prime numbers English: I can use contextual and genre knowledge to determine alternate meanings of known words.

Don't forget to visit our Website and School App for up to date information and copies of letters: www.nettlestoneprimaryschool.co.uk

SCHOOL MEAL PRICE INCREASE

Please note that we have been advised that the cost of a school dinner is set to rise in September 2018. The new cost will be £2.05 for children in Years 3-6. Children in Years R-2 will still benefit from the Universal Free School Meal offer. If you think you may be entitled to free school meals due to personal circumstances and are not already claiming this benefit please contact the school office who will be happy to assist you.

A POLITE REMINDER:

It has come to our attention that a large number of children are playing the video game Fortnite at home. Parents need to be aware that this game contains frequent scenes of violence and is not suitable for children under 12 years of age. It should also be noted that its online nature could expose younger players to offensive language from random strangers via the voice or on-screen text chat. To this end no child in our school should have access let alone be playing it without supervision. Please stay safe!

VOLENTERING IN SCHOOL

From September we would love to use your skills. If you have some free time and think you would like to come and support us—please let Mrs Lucy know.

We need a large variety of support, whether it be to drive our school mini bus (with appropriate licence and training), help in the school library to support fundamental skills or within classes.

We look forward to working with you.

WRITING IN PEN

From September you will notice that all pupils will be writing in pen for the large majority of the day. Maths work will continue to be completed in pencil.

PASTURES NEW

Mrs Lucy will be moving on to pastures new in September and we wish her well in her next venture—she will indeed be an asset to their business and will be dearly missed here at Nettlestone. Well done Mrs Lucy.
