Safeguarding our text messaging service to parents

You might have noticed that there has been a change to the text messaging service.

At the beginning of every text message you now receive a notification code. If you tap on this, it allows you to verify that the text message is from its stated source.— Nettlestone Primary School.

This enables us to continue our commitment to keeping our whole community safe, remember 'it could happen here.'

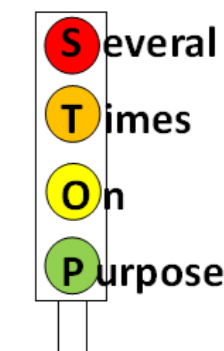

facebook

Can we politely remind our community that our Facebook page is for celebrating our children. We will not be replying to any messages that are sent through this medium. Please use our established communication platforms of— telephone, email or communication with the school office/class teacher.

When is it bullying?

Our weekly safety survey enable questions to be asked and answered regarding a large variety of topics. Three children from each class completes this survey on a weekly basis. It is a privilege to listen to their responses and thoughts on various aspects of life. From this it is very clear that all of our pupils are fully aware of the definition of 'Bullying' and can and do explain: Bullying means—STOP. A very proud moment—well done all!

Assessment in school

This week I have been extremely proud of our Year 6 pupils, they have had a taste of what the end of KS2 SATs are like in our mock SATs week. They showed resilience and diligence and supported each well. Keep up the hard work at home Year 6, especially over the long Easter break.

Please can we remind all parents that it is absolutely essential that your child is in school for the national assessments. We have very little flexibility on the test dates as the Government determine the assessment window. Dates for this year as per the website are:

- ◆ Year 6 KS2 Tests—week commencing 14th May 2018
- ◆ Year 2 KS1 Assessments—week commencing 8th May and the week of 21st May 2018 Year 1 Phonic Screen—week commencing 11th June 2018

Attendance and Lates updates: Whole School Target 2017/18—97% Whole School last weeks Attendance 95.2% Number of lost minutes due to late arrivals last week = 85 mins of lost learning!
