Hampshire Cross Country Competition

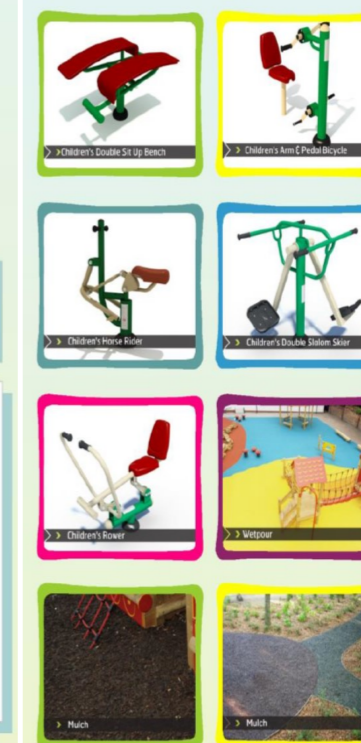

Well done to Freya and Arthur for being chosen to run in the Hampshire Cross Country Competition on Tuesday. What an amazing achievement to compete against at total of 170 other runners across Hampshire and achieving the outstanding placements of 52nd and 15th respectively. What a phenomenal achievement and experience for them both. Well done.

Our Outdoor Gym

We are finally able to confirm that the installation date for our Outdoor Gym will be during May half term.

I have attached a representative image of the final outcome; it will be installed in the grassed area at the end of the playground. This week our Young Governors were very excited when they shared the details with all of our year groups.

We have been able to purchase five different outdoor equipment pieces as well as the facility to cover all of the area in wetpour or mulch. This will enable two very

distinctive zones for children to enjoy.

Again, we would like to 'thank you' all for your hard work in fundraising for this outstanding facility for all of our children to enjoy and appreciate.
