Your Views Matter

Thank you to all parents who took the time and trouble to respond with their views on the recent parent survey. Approximately 30% of the school community shared their views with us including what they felt were the strengths and areas to be improved at Nettlestone Primary. It would take a lot of paper to list every comment made but should you wish to read all feedback we will happily make them available. All feedback is helpful and it was clear reading comments that communication of key events is causing some concern. To that end we have immediately double checked that the calendar on our school website reflects all of the key events for the remainder of the academic year and we will endeavour to post weekly reminders using the School App and Facebook pages. We hope that changes will make life easier for the many parents trying to juggle busy lives!

What an accomplishment

Great news, Arthur in Year 6, has been selected to represent Hampshire and the Isle of Wight Tennis Team in the 12U Boys County Cup—Congratulations. What an amazing opportunity.
