

I planted a bean and watched it grow.
 I wore my pyjamas to school and took part in PYJAMAJAMA Day.
 I took part in Comic relief and raised money for those in need.
 I took part in RE Day and learnt that Christians give Easter eggs as a sign of new life.

I have learnt that we need to exercise to help keep our bodies and minds strong and healthy.
 I know that I need to drink water to help my brain stay awake and alert.
 I helped prepare food for our Teddy Bears Picnic.

I learnt a new skill which was sewing. It was tricky threading the needle but I did it after I tried a few times.
 I have learnt lots of tricky words and used them in a sentence.

**Curriculum Vision Themes
 Overview
 Spring 2: Year R**

I am aware that not everybody believes in God and that is ok.
 I am beginning to think about the games that I am playing and making the right choices.
 As part of world book day I shared stories with my friends.

I donated some of my old books to the school book shop to help raise money.
 I recognise that people celebrate different things when learning about Easter.
