Overview

Children will learn about traditional stories and the story language used.

They will discuss characters and settings and also learn about real life heroes that help us.

Outcome

Children will know a range of traditional Tales and use story maps to retell stories. They will construct objects and buildings from stories using loose parts and junk modelling materials. Children will understand more about who helps to keep us safe and healthy.

As a parent you can: Encourage independence, Sharing and turn taking, Read stories (daily). Help your child to recognise and write their name, talk about feelings, counting and recognising numerals.
