

I am happy to come to school and engage in all aspects of the learning.

I took part in E-Safety day. I learned about how to stay safe on the Internet and about how to behave when using the Internet. I took part in Children's Mental Health week. I listened to different stories every day as well as the story of Ruby's Worry and talked about who I could tell if I had a worry.

Learning Principles Overview Spring 1 Year 1

I took part in E-Safety day. I learned about how to stay safe on the Internet and about how to behave when using the Internet. I understand that plastic pollution on land, and in the seas and oceans damages the environment and the animals that live there. I know how I can help and how I reduce plastic pollution.
