

I am happy to come to school and engage in all aspects of the learning.  
I visited Osborne House and learnt what it was like to be a servant in Victorian Times.

I have been thinking about how I can look after my money and spend it sensibly.  
I know which adults I can talk to if I am feeling sad, hurt or unsafe in the real world or online.  
I know that getting plenty of sleep helps my body and brain to stay healthy.

I don't give up, even when I find my learning tricky.

**Learning Principles Overview  
Spring 2 Year 1**

I have learnt about different faith, including the Jewish celebration of Passover and the Christian celebration of Palm Sunday. I have thought about why these celebrations are important to Jews and Christians.

I took part in Red Nose Day and raised money to help others. Comic Relief. I learnt about how money that I donated to Comic Relief helps different children and families.
