

We love to learn in Year 1!

SCIENCE

The children will be learning about different materials

They will be able to identify different materials such as glass, metal, wood, fabric

GEOGRAPHY

The children will learn about the geography of the school and locality.

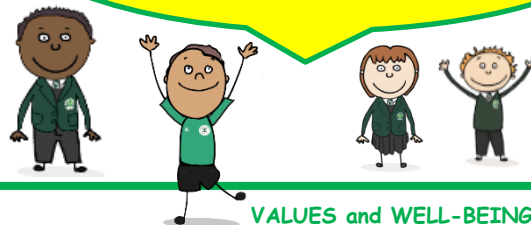

The children will learn about the school area. The children will use maps, atlases and globes to locate Nettlestone and the UK. They will use geographical vocabulary to refer to key physical and human features.

ART and MUSIC

Art - The children will be learning about the artist Paul Klee and studying his work. They will also experiment with mark making.

Music - Charanga Autumn 1 - Hey You!

- We can be resilient.
- We can make a difference.
- We live respectfully.
- We make healthy choices.
- We can make things happen.

VALUES and WELL-BEING

Welcome to Autumn 1! Our values this half term are quality, tolerance, appreciation and thoughtfulness. We will also continue to actively promote the British Values: *Democracy *Rule of Law *Individual Liberty *Mutual Respect *Tolerance of those with Different Faiths and Beliefs.

ENRICHMENT ACTIVITIES

Locality walk spotting different human and physical features.

PSHE, RSE and RE

PSHE & RSE - The children will be learning about rules, rights and responsibilities

RE - The children will learn about Thankfulness and Harvest

COMPUTING: The children will be learning about technology in our classroom.

PE

The children will be learning multi-skills and dance.

OUR TEXT-DRIVERS

The Colour Monster
Where the wild things are
T-Rex on Tour

ENGLISH

The children will retell stories, sequence pictures and learn how to write a simple sentence.

They will also enjoy reading stories of their choice from the new books provided for our class library, as well as listening to a story or poem read aloud on a daily basis.

MATHS

The children will continue to work on:

- Place value and counting in 1's and 10's to 50
- Identify one more and one less
- Represent numbers using objects and pictures
- Recognise numbers from 1 to 20 in numerals
- Number bonds to 5, 6 and 7
- Write number sentences
- Recognise and know the value of different coins
- Sequence events in chronological order
- Begin to tell time to the hour

HOME LEARNING

Please support your child's reading by hearing them read daily for 5-10 minutes and sharing stories with them, maybe at bedtime. Reading books will come home on a Friday and are due back in school the following Thursday. Please see Seesaw for a list of maths skills that you can also practice with your child over this half term.
