

We love to learn in Year 1!

SCIENCE

The children will continue their learning about plants, including answering questions such as: Does a seed contain a miniature plant that can develop into a fully grown plant? Does a bulb have underground vertical shoots which already have modified leaves? Do seeds and bulbs need water to grow? Do seeds and bulbs have food stores inside them to help the plant start to grow?

- We can be resilient.
- We can make a difference.
- We live respectfully.
- We make healthy choices.
- We can make things happen.

VALUES and WELL-BEING

Welcome to Spring 2! Our values this half term are Hope, Caring, Honesty. We will also continue to actively promote the British Values: *Democracy *Rule of Law *Individual Liberty *Mutual Respect *Tolerance of those with Different Faiths and Beliefs.

ENRICHMENT ACTIVITIES

Visit to the Boat Museum in East Cowes and participating in the Big History Map Project.

PSHE & RSE - The children will be learning to understand their different feelings.

The children will learn to recognise the feelings associated with feeling unsafe.

RE - Welcoming Jesus on Palm Sunday. The children will describe in simple terms what welcoming means.

COMPUTING: Digital painting

I can use select different tools to create digital paintings.

OUR TEXT-DRIVERS

Tidy by Emily Gravett

ENGLISH

The children will retell stories orally, sequence pictures and talk about what characters – how they might be feeling, their motivations and what they might do next. The children will learn how to write simple and compound sentences, and they will be able to add 'ed' to verbs where no change is needed. They will focus on writing a persuasive letter. The children will also enjoy reading stories of their choice, as well as listening to a story or poem read aloud on a daily basis.

MATHS

Place value and counting in 1s to 50

Counting back from 50.

Finding one more and one less than a given number.

Introduction to length and height

Introduction to weight and volume

HOME LEARNING

Please support your child in completing their home learning on Seesaw. This will be set on a Friday and is due in on a Wednesday. Learning will include Maths, Reading and Phonics. Please also support your child in securing their counting to 100, their recognition of numbers to 100, as well as being able to confidently recall their number bonds to 10.

HISTORY

The children will learn Grace Darling. They will learn about her life. They will learn about why she is significant and how her actions impacted the RNLI and why we still remember her today. The children will also compare her clothes and home to clothes and homes today.

ART, DT and MUSIC

DT - The children will design and make as well as evaluate a greenhouse.

Music - Charanga Spring 2

PE

The children will be learning dance.
