

We love to learn in Year 2!

SCIENCE

The children will be learning about animal life cycles. Our big question this term is: What is the lifecycle of an animal?

We will also learn about making new plants and our big question will be: How are new plants made?

HISTORY and GEOGRAPHY

This term we will recap our History from last term about Queen Victoria. This term we will be learning about the life of Sarah Forbes Bonetta and the links to Queen Victoria.

ART, DT and MUSIC

DT - This term we will learn about vehicles and design and make a vehicles to transport equipment using wheels and axis.

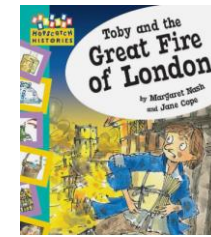

Music - This term year 2 will learn Ocarinas.

HOME LEARNING

Please support your child in completing their home learning on Seesaw. Home learning will be uploaded on a Friday. The home learning will focus mainly on Maths and English/phonics.

Please read daily for a minimum of 10minutes and record on to Boom Reader.

We can be resilient.
We can make a difference.
We live respectfully.
We make healthy choices.
We can make things happen.

OUR TEXT-DRIVERS

Toby and the Great Fire of London
The Great Fire of London (BBC Bitesize)

ENGLISH

This half term we will be exploring texts and factual information in different media forms, about the Great Fire of London. We will try to learn from the information and historical information. We will apply our previous learning to describe how we think it might have felt in London and seeing the fire. We will also write a diary recount, based upon the character in the text.

To complete our learning, we will write an informative text about the Great fire.

VALUES and WELL-BEING

Welcome to Spring 2!

Our values this half term are Hope, caring and honesty. We will also continue to actively promote the British Values: *Patience *Unity and *Love.

ENRICHMENT ACTIVITIES

African day
White tailed eagles information session

PSHE & RSE - 'Rights and Respect'- we will be learning about our emotions and feelings and strategies to help us self-regulate, as well as sharing with others and respecting our environment.

RE - The Easter story and the concept of happy and sad

COMPUTING:

The children will be learning about and digital photography. We will be learning what makes a good photograph and if all photographs are real.

PE

Invasion games and dance

MATHS

This term we will be focusing on multiplication and division, length and height and mass, capacity and temperature.

- Odd and even numbers
- Equal groups
- Dividing by 2, 5 and 10
- Reading scales
- Using simple standard units
- Measuring accurately
- Introducing reasoning
