

We love to learn in Year 2!

SCIENCE

This term we will be learning about Pushes and pulls. Our big question is why and how do objects move? We will investigate different forces and surfaces to explore how they can affect the movement of objects.

HISTORY and GEOGRAPHY

This term we will be learning about the Victorians and the life of Sarah Forbes Bonetta and whether a person can be a present.

ART, DT and MUSIC

DT - This term we will learn about preparing fruit and vegetables. We will be trying different vegetables and then designing and making our own pizzas

Music - This term year 2 will learn about Kindness and the Friendship song.

HOME LEARNING

Please support your child in completing their home learning on Seesaw. Home learning will be uploaded on a Friday. The home learning will focus mainly on Maths and English/phonics.

Please read daily for a minimum of 10minutes and record on to Boom Reader.

We can be resilient.
We can make a difference.
We live respectfully.
We make healthy choices.
We can make things happen.

VALUES and WELL-BEING

Welcome to Summer 1!

Our values this half term are courage, mutual respect and kindness. We will also continue to actively promote the British Values: *Caring *Happiness *Trust and *Resilience.

ENRICHMENT ACTIVITIES

Trip to Sandown Aviation Museum to learn about transport and journeys to link with our English narrative writing and science.

PSHE & RSE - 'Growing and Changing' is our unit and in this we will learn about parts of our body and how our body grows.

RE - The Ten Commandments with the concept about rules.

COMPUTING:

The children will be learning about the unit Programming quizzes. In this unit, Year 2 will be using Scratch Junior to make programs.

PE

Net games: volleyball and tennis, striking and fielding

OUR TEXT-DRIVERS

The Journey by Aaron Becker
The Way Back Home by Oliver Jeffers

ENGLISH

This half term we will be exploring 2 main texts. We will be focusing on 2 different outcomes, writing a story and writing a report. Within English we will look at the use of adjectives and expanded noun phrases. Developing our descriptive writing. We will continue to focus on punctuation and capital letters and full stops. We will also continue looking at handwriting and developing that beginning to introduce joined handwriting.

MATHS

This term we will be focusing fractions and time.

- Problem solving strategies
- Using the hundred square
- Identifying missing numbers
- Solving problems using all 4 maths operations (+-x÷)
- Telling the time
- Position and direction
- Statistics
- shapes
