

- ✓ We created our class assembly to showcase our work so far this term. It was fantastic to have our Parents and Carers come to support us. We certainly put them to the test!

- ✓ As a team building and ice breaker challenge, we visited Tapnell Aqua Park as a class.
- ✓ We have enjoyed our PE lessons and working with our new PE teachers this term.

- ✓ As a team building and ice breaker challenge, we visited Tapnell Aqua Park as a class.
- ✓ We have explored problem solving activities as part of our Maths learning which has encouraged us to try again when it hasn't worked the first time.

Learning Principles Overview Autumn 1 Year 6

- ✓ We conducted research as a class to discover the life of Ella Fitzgerald (who also inspired our class name for this year).
- ✓ As part of our RE topic, we studied the concept of law, rules and what we considered to be the consequence of rule and law breaking.
- ✓ Reverend Ali visited us and shared an assembly which asked us to consider the concept of 'thankfulness' and the idea of thankfulness as a human construct. We completed a mindfulness activity which involved thinking of things we are thankful for.

- ✓ We studied Black History Month and through our class book 'Journey to Jo'Burg', we explored the concept of Apartheid and what it meant for people who were black and people who were white.
- ✓ We have learnt that we are all different and to embrace these differences. Our PSHE focus was Healthy Relationships.
