

I CAN MAKE IT HAPPEN

Show independence by responding to simple instructions, boundaries and routines within the day

Learning new activities such as Early Years Little

Wandle phonics

I CAN MAKE HEALTHY CHOICES

Using Zones of Regulation daily

Thinking about we can make a difference to our own immediate environment and how I can look after myself and my friends and family

Learning how to look after and care for plants and the key features of life cycles

I CAN BE RESILIENT

Settling in to our new environment, new routines, new adults and friends to meet.

Learning to use ropes to climb and swing
Learning to climb and balance

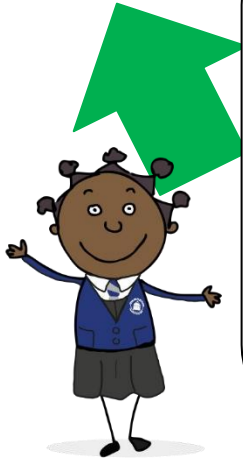

Learning new rhymes and joining in with actions

Being proud performers at our family garden visit

Learning to have a go supporting our own self-care and independence

Keeping on trying and not giving up.

**Curriculum Vision Overview
Spring 2 Pre-School**

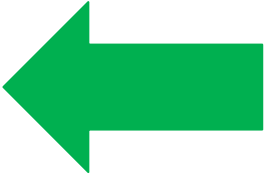

I CAN LIVE RESPECTFULLY

Show a sense of responsibility and member of the school community

Learning that others have their own differences and we are all unique

Understand the concept of yours and mine when sharing and turn taking

I CAN MAKE A DIFFERENCE

Being aware of our feelings and those around us

Learning to share and take turns

Looking after our environment

Helping to pack away and keep our environment tidy.
