

Do you offer eligible children 30 hours of education?

Yes - The term after your child's third birthday you are entitled to **15 or 30 hours** of early education funded by the Government. Parents must apply through the Government's Child Care Service via www.childcarechoices.gov.uk for the extended entitlement. We currently offer 24 places for 3/4 year olds per session. Any sessions exceeding the universal funded 15 hours will be charged at £12.50 per 3 hour session, should you not be entitled to the additional funded allocation.
