

Your Views Matter December 2020 - PARENT SURVEY

Thank you to all parents who took the time and trouble to respond with their views on the recent parent survey. Approximately 80% of the school community shared their views with us including what they felt were the strengths and areas to be improved at Nettlestone Primary. All feedback is helpful and it was clear reading comments that communication of key events is causing some concern. To that end we have immediately double checked that the calendar on our school website reflects all of the key events for the remainder of the academic year and we will endeavour to post weekly reminders using the School App and Facebook pages. We hope that changes will make life easier for the many parents trying to juggle busy lives!

It was lovely to read that 99% of parents that responded felt that their child was safe at Nettlestone and 99% would recommend the school to another parent. We are also really proud that 100% of parents recognise the hard work that staff continually demonstrate to ensure pupils are well behaved and 96% appreciate that staff try their very best to teach every day to the best of their abilities ensuring appropriate challenge for all.
