

Impact of COVID

In our Religious Education (R.E.) lessons we have had to adapt to the COVID-19 restrictions in a number of ways to ensure that we all stay safe.

Discussion is an integral part of R.E. lessons.

We work with the person next to us rather in small groups.

Visitors of different faiths provide pupils with an additional perspective and experience. We will have to explore the possibility of sharing a Question and Answer session via school email.

Visiting places of worship enriches our lessons in R.E. At the moment we cannot visit churches, synagogues or mosques on the Island or on the mainland. However, there are many virtual tours available online.
